Expenditure on Indian Missions abroad

3403. SHRI K. RAMA MOHANA RAO: Will the Minister of EXTERNAL AFFAIRS be pleased to state:

(a) whether it is a fact that expenditure on the maintenance of Indian Missions abroad is soaring up exorbitantly;

(b) if so, the expenditure that Government have incurred during the last five years on maintenance of Indian Missions abroad; and

(c) what steps Government are taking to reduce the expenditure?

THE MINISTER OF STATE IN THE MINISTRY OF EXTERNAL AFFAIRS (SHRI OMAR ABDULLAH): (a) to (c) The total expenditure incurred by the Ministry on Indian Missions abroad during the last five years, year-wise, is given hereunder:—

Year	Expenditure (in Rs. Crores)	Expenditure (in mil. US$)
1996-97	510.15	141.4
1997-98	533.13	136.5
1998-99	629.26	147.5
1999-2000	660.02	150.6
2000-2001	698.28	149.3

The major part of expenditure is incurred in foreign currency. The increase in expenditure in US dollar terms in 1998-99 and 1999-2000 may be attributed to increase under 'Salaries' head due to implementaiton of the Fifth Pay Commission recommendations and indexation of Foreign Allowance including payment of pay arrears. The Ministry has advised the Missions abroad to follow Government of India instructions to economise and the Ministry has been maintaining strict checks on the expenditure incurred by Missions abroad. In addition, various steps have also been taken by the Ministry to reduce expenditure on Indian Missions abroad such as use of e-mail for communication purposes, purchase/construction of properties to reduce rental liability etc. As a result of these measures the expenditure on Indian Missions abroad in US dollar terms decreased in 2000-2001.
